

Kona Highlands Beauty

A Comfortable, "Feel Good" Home with Coastline Views

This Lindal Cedar Home has been customized and lovingly refurbished by its current owner. The property features 3 bedrooms and 2 baths, large lanai, solar water heating and a fully fenced landscaped yard. There is a bonus separate entrance office that is in current use as a photography studio.

Kona Highlands is a popular Kona neighborhood with underground utilities and it's 10 minutes from Kona International Airport.
